OLDSMOBILE

THE LOYALTY "EIGHT" \$1865 Delivered

THE WAR-TIME "SIX" \$1550 Delivered

SHOW ROOMS: MASONIC TEMPLE

There is not a man in Corpus Christi who has looked at the OLDSMOBILE but will concede that there is more intrinsic value in the OLDSMOBILE than any car in its price class. You cannot find upholstery leather equal to that of the OLDSMOBILE in any other car under \$2300—scarcely even in cars of that price—and the finish is also equal to that of much higher priced cars.

The Oldsmobile Company Has Never Built A Cheap Car

And never will. While war conditions have made it almost impossible to secure certain materials in the open market, OLDSMOBILE financial independence made possible the carrying of reserve stocks to meet the requirements of reduced production, therefore, the OLDSMOBILE is being produced with all its old-time quality materials.

Mr. Charles Is Here To Show The Oldsmobile

And awaits the opportunity of showing it to every man in Nueces County. He will take your order at present prices for immediate delivery only. If you prefer to wait, you take your chances in advanced prices and delivery dates, like prices cannot be guaranteed.

Remember you are not asked to buy an untried car. 21 years of "knowing how" has placed the OLDSMOBILE in the front rank of passenger cars and, before many moons, an OLDSMOBILE three-quarter ton truck will make its bow to the good people of Texas.
